**Overview:**

Lifespace Communities, Inc. (“Lifespace” or the “Corporation”) is an Iowa nonprofit corporation organized for the purpose of owning and operating continuing care retirement communities (“CCRCs”).

The Corporation owned eleven CCRCs in six states that made up the Obligated Group. On August 1, 2021, the Corporation sold Grand Lodge at the Preserve (“Grand Lodge”) located in Lincoln, Nebraska.

Lifespace is the sole member of Barton Creek Senior Living Center, Inc., d/b/a Querencia (“Querencia”) located in Austin, Texas. On August 31, 2021, concurrent with the issuance of the Series 2021 bonds, Querencia became part of the Obligated Group.

The Obligated Group consists of the above communities. The financial information and covenants presented herein set forth the information for these communities. Prior period information has been restated to include Querencia and reclass Grand Lodge activity to discontinued operations.

The Corporation is the sole member of Northwest Senior Housing Corporation, d/b/a Edgemere (“Edgemere”) located in Dallas, Texas and Tarrant County Senior Living Center, Inc., d/b/a The Stayton at Museum Way (“The Stayton”) located in Ft. Worth, Texas. On July 1, 2021, Lifespace acquired Newcastle Place, LLC (“Newcastle Place”) located in Mequon, Wisconsin. On July 19, 2022, Lifespace acquired Meadow Lake located in Tyler, Texas, Wesley Court located in Abilene, Texas and The Craig located in Amarillo, Texas. Edgemere, The Stayton, Newcastle Place, Meadow Lake, Wesley Court and The Craig are separately financed and are not part of the Obligated Group.

The corporation was sole member of Deerfield Retirement Community, Inc. (“Deerfield”) a nonprofit organization that was organized to own and operate a CCRC in suburban Des Moines, Iowa. On August 1, 2021, Deerfield was sold to the same third party as Grand Lodge. Deerfield was separately financed and not part of the Obligated Group. While outside the Obligated Group, the Obligated Group had previously guaranteed certain outstanding long-term indebtedness of Deerfield. These guarantees were discharged in connection with the sale of Deerfield and the Obligated Group has no further outstanding long-term indebtedness or guarantee obligations with respect to Deerfield.

After the disposition of Grand Lodge and Deerfield, and including Edgemere, Meadow Lake, Newcastle Place, The Craig, The Stayton, and Wesley Court, the Corporation and its affiliates operate 17 CCRCs in seven states from corporate offices located in West Des Moines, Iowa and Addison, Texas. References to the “Communities” herein are to the 11 CCRCs owned and operated by the Corporation that make up the Obligated Group.

**Obligated Group**  
**Management's Discussion and Analysis**

**Six Months Ended June 30, 2022 versus Six Months Ended June 30, 2021:**

The average year-to-date independent living occupancy through June 30, 2022, was 2,309 independent living homes (77.4% of the 2,983 average available homes). The average year-to-date occupancy, excluding Grand Lodge which is disclosed as a discontinued operations, through June 30, 2021 was 2,327 independent living homes (80.1% of the 2,904 average available homes). The increase in average available homes from June 30, 2021 to the same period in 2022 is due to opening independent living apartments at two communities to support the redevelopment efforts discussed under Liquidity and Capital Requirements. In addition, offsetting the additions were four communities that combined smaller apartments.

Revenues from independent living monthly fees and related charges amounted to \$38,571,000 in 2022, a 8.0% increase over the \$63,509,000 from the same revenue sources in 2021. Monthly fees increased in the range of 3.8% to 6.0% on January 1, 2022. In addition, there were more processing fees due to more closings in the six months ended June 30, 2022 than the same period in the prior year.

Revenues from the health center, assisted living, and memory support fees were \$63,445,000 in 2022 compared to \$55,996,000 in 2021, an increase of 13.3%. This increase is the result of the monthly fee increases effective January 1, 2022 and the occupancies related to the completion and openings of the redevelopment projects. The Friendship Village of Bloomington redevelopment project opened in February of 2021. This added assisted living and memory support rooms while eliminating boarding care. The Village on the Green redevelopment project opened at the end of March of 2021. This added assisted living rooms. In addition, Village on the Green opened memory support in April of 2021 and the replacement health center in May of 2021. The monthly fee increases that started January 1, 2022 range from 2.7% to 6.1%.

As of June 30, 2021, the Obligated Group received a total of \$1,042,000 compared to \$75,000 for the same period in 2022. In 2021, the funds of \$1,038,000 were received from the Department of Health and Human Services in infection quality control payments and relief under the CARES Act's Public Health and Social Services Relief Fund. Additional stimulus funds of \$4,000 were received from third party payors that paid in accordance with the contract with Commonwealth of Pennsylvania's Department of Human Services. As of June 30, 2022, the State of Texas paid out stimulus funds of \$75,000. The Department of Health and Human Services continues to update guidance regarding the distribution of these funds.

Total operating expenses, excluding depreciation, amortization, interest expense, and loss on disposal of property were \$135,356,000 in 2022, an increase of \$20,966,000 or 18.3% from comparable expenses of \$114,390,000 in 2021. Salaries and benefits increased \$12,192,000 or 20.8% due primarily to wage increases for culinary, nursing and housekeeping team members that took effect November 1, 2021 and for all remaining team members that took effect January 1, 2022. General and administrative expense increased \$3,410,000 or 10.9% due primarily to additional legal reserves for prior year claims and higher real estate taxes. Plant expense increased \$831,000 or 10.0% due primarily to higher costs in repairs and maintenance, security services and equipment, and utilities. Dietary costs increased \$2,363,000 or 23.9% due primarily to higher raw food costs. Medical and other resident care increased \$2,219,000 or 39.1%, due primarily to

increased occupancy, the opening of the redevelopment projects at Friendship Village of Bloomington and Village on the Green and agency costs. Agency costs were \$4,512,000 as of June 30, 2022 compared to \$2,558,000 in the same period of 2021, an increase of \$1,954,000.

During 2020, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities.

COVID-19 is impacting each of the communities in the Obligated Group at different levels which change on a daily basis. At any point in time, a given community can experience a resident or team member with a positive COVID-19 test. Lifespace has established protocols to comply with all federal, state and local requirements. Any suspected COVID-19 cases are subject to self-isolation and monitored. All communities have seen an increase in costs for personal protection equipment and inventories of these supplies have been increased in anticipation of their continued need. Where cases have been identified, there have also been additional compensation plans for team members put in place.

The number of COVID-19 positive results across the Obligated Group has ranged from zero to 180 at any single community on a given day. As of the date of this disclosure, there are 29 positive resident cases.

Investment income decreased when comparing the six months ended June 30, 2022 to the same period in 2021. Excluding the unrealized gain/loss, investment income represents a decrease of \$6,387,000, which impacts the debt service coverage ratio in a negative manner. However, that decrease is offset by the increase in entrance fees. The following chart shows the components of investment income in thousands of dollars.

	<u>June 30, 2022</u>	<u>June 30, 2021</u>
Interest and Dividend Income	\$1,560	\$2,295

**Liquidity and Capital Requirements – Six Months Ended June 30, 2022 versus Six Months Ended June 30, 2021:**

Cash proceeds from entrance fees and deposits (refundable and non-refundable), net of refunds and including initial entrance fees, were \$42,503,000 for the six months ended June 30, 2022 compared to \$16,854,000 for the same period in 2021. The number of closings increased to 167 in the six months ended June 30, 2022 from 117 reoccupancies in the six months ended June 30, 2021. There were initial entrance fees at two communities of \$11,105,000 in the six months ended June 30, 2022 and \$1,567,000 for the same period in 2021.

Daily operating expenses for 2022 increased to \$797,000 from \$677,000 in 2021, an increase of 17.9%, due primarily to market wage adjustments implemented during the fourth quarter of 2021. The overall unrestricted cash position decreased from \$215,511,000 at June 30, 2021 to \$192,454,000 at June 30, 2022, a change of 10.7%. The Days Cash on Hand Ratio decreased from 319 days at June 30, 2021 to 241 days at June 30, 2022. The reduction in unrestricted cash and investments was due primarily to \$32.8 million of unrealized investment losses, resulting in a decline of 41 days cash on hand.

Capital expenditures for the communities for the six months ended June 30, 2022 were \$44,940,000, while depreciation expense for the same period was \$26,355,000. with the annual capital expenditure decisions. The 5-year historical ratio for the Obligated Group at December 31, 2021 is 167% which is higher than the range as a result of the redevelopment projects. The redevelopment projects are mostly funded with long-term debt and internal cash. Routine capital projects are expected to be funded from internal cash flows.

On August 1, 2021 Lifespace sold Grand Lodge to a third party. The proceeds from this sale were used to pay outstanding bonds of \$13,956,000.

Lifespace Communities completed tax-exempt bond financings in 2016, 2018, and 2019 of which the proceeds support five redevelopment construction projects. On August 31, 2021, Lifespace completed the fourth and final bond financing to assist in the completion of five redevelopment projects. Lifespace received proceeds from issuing \$120.4 million of Series 2021 bonds. The bonds sold at a premium generating \$132.5 million of proceeds. The proceeds from these bonds will pay redevelopment costs of \$85.0 million at Friendship Village of Bloomington and Oak Trace, fund cost of issuance of \$2.4 million and funded interest of \$5.9 million. In addition, several communities are receiving proceeds to assist with community projects. The Series 2010 bonds were refinanced with the issuance of the Series 2021 financing.

Initial entrance fees collected at two of the redevelopment communities have been used to pay down the Series 2019A-2 debt issuance. As of December 15, 2021, the principal amount of \$26,850,000 has been fully retired.

Lifespace has secured a line of credit with a bank for \$25 million to support the redevelopment efforts. The line of credit is to be used for the redevelopment projects when bond project funds are depleted and prior to the issuance of additional bonds as described below. The terms and covenants of the line of credit follow the master trust indenture. As of June 30, 2022, \$10.9 million has been drawn on this line of credit for one community.

Two of the communities are in the process of significant construction at June 30, 2022. There were five construction projects of which three construction projects were completed and opened in 2020 and one in 2021. All five of the communities with improvements used and are using proceeds of the Series 2016, Series 2018, Series 2019, and Series 2021 Bonds. As with any construction project, the timing of expenditures and the project budget can change through the passage of time or as the project advances in development. The monthly Redevelopment Project Status Report filed on EMMA provides additional details regarding the construction projects.

The Board previously approved a project at The Waterford which is being redesigned to better suit the local market. A revised concept and capital budget will be reviewed by the Lifespace Board in 2022. The line of credit has been used to fund pre-construction of approximately \$10.9 million for the Waterford.

Management continuously reviews and prioritizes the needs at each of the Communities to determine what is needed to enhance the Community, fill service gaps, stay competitive in the market place and grow. There is no guarantee that the Lifespace will complete all the projects listed above, that the scope will not be materially altered or that additional Communities will not be added.

**Management's Discussion and Analysis**

On August 3, 2021, Fitch affirmed its rating for the outstanding revenue bonds of Lifespace at 'BBB' with a stable outlook.

In conjunction with the acquisition of The Stayton in June 2019, Lifespace provided a Liquidity Support Agreement ("LSA") to the Stayton trustee. Pursuant to the LSA, Lifespace made a deposit of \$3,000,000 to be held by the Stayton trustee in a liquidity support account. This was funded from sources other than the Obligated Group. Lifespace has an unfunded commitment in the amount of up to \$3,000,000 which may be drawn upon in accordance with the LSA. This \$3,000,000 would likely come from the Obligated Group, if needed.

In conjunction with the acquisition of Newcastle Place on July 1, 2021, Lifespace made an \$8,000,000 equity contribution and provided a Liquidity Support Agreement for the Newcastle Place long-term indebtedness which is currently outstanding in the aggregate principal amount of approximately \$5,000,000. At June 30, 2022 the Liquidity Support Agreement remains unfunded. Lifespace also holds approximately \$8,000,000 million of subordinated bonds issued by Newcastle Place.

As stated within the EMMA notice filed July 28, 2022, effective July 19, 2022, an unfunded Liquidity Support Agreement has been entered into between Lifespace and UMB Bank, National Association (the "Bond Trustee"), as trustee under the Bond Trust Indenture dated as of July 1, 2022 between Tarrant County Cultural Education Facilities Finance Corporation (the "issuer") and the Bond Trustee related to Senior Series 2022 Bonds. The Liquidity Support Agreement provides for an aggregate maximum support amount of \$7,412,300.
